**SINGLES.** Well Kid Rock's *All Summer Long* was too strong for Lady Gaga this week. The Kid holds onto the No.1 spot, while *Just Dance* creeps up four places to No.2. Miley Cyrus just misses out on a Top 10 placing, landing in at No.11 with *7 Things*, which moved nine places this week. With the release of their latest album night, Metallica has caused quite a stir with fans. The band currently has five tracks in the Singles Chart. They include this week's new entry *My Apocalypse*, *The Day That Never Comes*, which has blasted up sixty-three places to No.18 and old favourites *Enter Sandman* is at No.65 from No.85, *Nothing Else Matters* moves up eleven spots to No.75 and *One* is up from No.88 to No.79 this week. We also see a large leap from The Presets, *Talk Like That* races to No.56, after a debut of No.94 last week. Lastly, with Slipknot debuting at No.1 this week on the ARIA Albums Chart, it is no surprise to see *Psychosocial* re-enter the chart at No.84.

**No.29 HOT N COLD - Katy Perry.** Born Katy Hudson, Katy Perry changed her surname to her mother's maiden name as her original name was too similar to actress, Kate Hudson. The flaming hot new songstress on the scene, Perry ignited charts all over the world with her debut single - *I Kissed A Girl*. The platinum selling track peaked at No.1 in over seven countries including Australia, where it spent six consecutive weeks at the top spot. *Hot N Cold* is the follow single to be lifted off Perry's current album, *One Of The Boys*, which debuted at No.12 three weeks ago and is currently sitting at No.16 on the ARIA Albums Chart.

**No.38 MY APOCALYPSE - Metallica.** The multi-Grammy Award winning rock band, Metallica have endured many highs and lows during their illustrious career in the music business. One of their lows would be when they lost original bass guitarist, Clifford Burton in a freak accident while on tour in Sweden in 1986. Metallica is one of the all-time most influential thrasher bands and is considered to be part of the "Big Four", which includes Slayer, Anthrax and Megadeth. Most notable tracks from the band include *Until It Sleeps* (No.1 May '96), *Fuel* (No.2 June '98) and *St. Anger* (No.15 July '03).

**No.54 DAMAGED - Danity Kane.** American all-singing and all-dancing girl group Danity Kane was formed in 2005 through the third season of reality series "Making The Band" on MTV. The girls of Danity Kane are Aundrea Fimbres, Wanita Woodgette, Shannon Bex, Dawn Richard and Aubrey O'Day. They are signed to P Diddy's label Bad Boy Records and take their name from a female anime character. This is Danity Kane's debut to the ARIA Singles Chart.

**No.96 WE CRY - The Script.** Hailing from Ireland, this three piece band consists of Danny O'Donoghue (vocals), Mark Sheehan (guitar) and Glen Power (drums). O'Donoghue and Sheehan previously worked as producers in America and have worked alongside The Neptunes amongst others. *We Cry* is The Script's debut single to the ARIA Singles Chart and can be found on their debut self titled album, which has already peaked at No.1 in Ireland and the UK.

**ALBUMS.** It seems that Sneaky Sound System's *2* has gone the fate of all Aussie No.1 albums so far this year - No.1 for one week before moving aside for another album as it slides down to No.3. In this case Slipknot's *All Hope Is Gone* enters the chart at No.1, a new chart peak for them in the albums chart. This weeks chartifacts could not go without mention about the Top 20 of the ARIA Classical Albums Chart - eleven of the Top 20 albums are by Andre Rieu while, four of them are brought to you by Andrea Bocelli. Fans all over Australia must be looking forward to their up-coming tours!

**No.1 ALL HOPE IS GONE - Slipknot.** When frontman Corey Taylor was asked about the title of this album, he gave this as an explanation; "All hope of trying to figure us out is completely obliterated." Meaning that all previous conceptions that fans had of the band would be blown away with this album. This is because the band wanted to make this album the heaviest and most experimental yet with the inclusion of acoustic guitars and percussion instruments. They also had a new producer that they hadn't worked with yet - Dave Fortman. In line with the new sounds that they have formed, they have also created new 'uniforms' and masks to wear while performing. This is their first No.1 on the ARIA Albums Chart. Their previous peak was at No.2 with the gold accredited *Iowa* (No.2 Sep. '01) and *Vol 3: Subliminal Verses* (No.2 Jun. '04), also accredited gold. Other albums to chart include *Slipknot* (No.32 Feb. '00) which has been accredited platinum and *9.0: Live* (No.26 Nov. '05). Slipknot are scheduled to tour here in October.

**No.12 L.A.X. - The Game.** Another chart peak occurs this week with Jayceon Terrell Taylor, aka The Game. For his latest album, there were many special guests featured - Lil Wayne, Ne-Yo, Nas and Kanye West to name but a few! The Game's first album, *The Documentary* reached No.42 in April 2005 and was accredited gold and his last album *Doctor's Advocate* hit No.28 in November 2006.

**No.17 DAYS LIKE THESE - Diesel.** This is the third album that Diesel has created with drummer Lee Moloney and bass player Richie Vez. The album was recorded in Jimmy Barnes' studio - the pair are actually brother-in-laws This is his highest chart peak since *Solid State Rhyme* which hit No.10 in November 1994 and was accredited gold. Diesel has had two No.1 albums; the triple platinum *Hepfidelity* (Mar. '92) and *The Lobbyist* (Aug. '93) accredited gold. Other albums to have charted include: *Johnny Diesel & The Injectors* (No.2 May '89), *Short Cool Ones* (No.18 Apr. '96), *Singled Out* (No.78 Aug. '04) and *Coathanger Antennae* (No.23 Jun. '06).

**No.19 ULTRA BEATDOWN - DragonForce.** This is Dragonforce's first album to chart here in Australia, which will be a welcome thought to the band when they tour here later this year. The UK band has a big line-up which comprises of ZP Theart (vocals), Herman Li (guitars), Sam Totman (guitars), Vadim Pruzhanov (keyboards), Dave Mackintosh (drums) and Frédéric Leclercq (bass). Dragonforce's other album to be released here was *Inhuman Rampage* which unfortunately failed to chart.

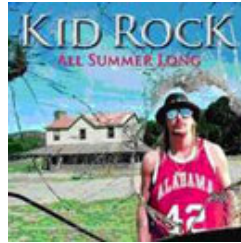

**No.20 FORTH - The Verve.** This is the first album of new songs for The Verve since the release of *Urban Hymns* which hit No.9 in March 1998 and was also accredited triple platinum. *Forth* has hit the No.1 spot on the UK albums chart this week. Originally from Wigan, in Northern UK, The Verve is made up of Richard Ashcroft, Simon Jones, Nick McCabe and Peter Salisbury.

**No.25 THE VERY BEST OF - Johnny O'Keefe.** It has been 50 years since the release of O'Keefe's *The Wild One* was a top 40 hit in 1958. This is a collection of O'Keefe's hits, which have been re-mastered into this double disc package. Included on the album are the top 10 hits *Why Do They Doubt Our Love*, *Wild One*, *Shout*, *She's My Baby* and *I'm Counting On You* as well as many other classics like *Over The Mountain*, *Peek-A-Boo* and *You Excite Me*.

**No.30 FAST TIMES AT BARRINGTON HIGH - The Academy Is....** This is the third studio album from this band from Chicago, and the first one to chart here in Australia. Their first album *Almost Here* was followed by *Santi*. The Academy Is... is made up of William Beckett, (vocals), Michael Carden (guitar), Adam T. Siska (bass), Andy Mrotek (drums) and Michael Guy Chislett (guitar). This latest album is named after the high school that Siska and Beckett attended. It has debuted at No.17 on the US albums chart and has already had tracks from the album featured on MTV's *The Hills*.

**No.66 LOSING SLEEP - Axle Whitehead.** Axle Whitehead's turbulent career continues on with the release of his debut album. From Australian Idol hopeful, to Video Hits presenter, to an over-exposed ARIA awards presenter. What many might not know about Whitehead is that he is actually an accomplished jazz musician, used to touring and gigging on a regular basis. This album came about after he took himself out of the spotlight - "That's what I did last year -- I love everything from classical to drum and bass, I wanted to try to pinch something from all those influences to create my own sound." Helping him to write and produce this album was Robert Conley who had previously worked with Darren Hayes.

**No.88 PARTIE TRAUMATIC - Black Kids.** Hailing from Florida, USA, the Black Kids is made up of Reggie Youngblood (guitar and vocals), Owen Holmes (bass), Kevin Snow (drums), Dawn Watley (keyboards), and Ali Youngblood (keyboards and vocals) who is actually Reggie's sister. *Partie Traumatic* debuted at No.5 on the UK albums chart and was produced by Bernard Butler - who has previously worked with Duffy.
